EXPERIENCE

Aeronautical Development Agency (ADA), DRDO Bengaluru — *Project Associate*

SEPT 2025 - PRESENT

- Collaborated on the **cockpit display interface design** for the upcoming Tejas MK-II (LCA), a funded research project under ADA, DRDO.
- Developed **operator scenarios** and **flows** to define interaction patterns and inform interface layout decisions for high-stakes operational contexts.
- Conducted **task analysis** to establish critical information hierarchies, ensuring mission-essential data is surfaced with appropriate priority and visibility across the Interface.
- Delivered **high-fidelity interfaces** and **interactive prototypes** to stakeholders for evaluation, ensuring compliance with MIL-STD and ARINC 661 display standards - demonstrating rigorous attention to **compliance, accessibility, and domain-specific usability requirements.**

NAI Productions, Mumbai (Hybrid) — *Visual & UX Designer (Part-Time)*

OCT 2024 - AUG 2025

Brought on as a freelancer and retained part-time, led full-cycle **UX design across landing and service display pages at NAI Productions** - from user research to high-fidelity prototypes and developer handoff - resulting in ~20% increase in client retention.

Apart from these, I also worked on multiple Visual design & Motion design projects for small clients as well as big brands such as Dabur, Spykar, Kingfisher, etc.

Metta Muse, Bengaluru (Remote) — *UI & Brand Design Intern*

APR 2024 - OCT 2024

Designed icons across 250+ product categories for Metta Muse's B2B product customization pages, while ensuring web accessibility & building reusable design foundations to support scalable product development.

EXTRA

Creative Lead — *Anuva 2024*

Lead a team of 10 creatives, responsible for the branding of the entire event with an estimated footfall of 1200+.

UI/UX Core Member — *Google Developer Student Club*

Successfully Managed and Run 8+ workshops on UI/UX in collaboration with Google Developer Student Club. Communicating design principles and practical Figma skills to cross-disciplinary student audiences.

EDUCATION

Central Institute of Technology, Kokrajhar - *B.Des Communication Design*

2021 - 2025

Creative Lead, Anuva: Annual Design Fest 2024

Founding Member: Design Circle Club 2021
